

1. Policz zwierzęta. Podkreśl odpowiednie liczby i napisz je starannie w kratkach.

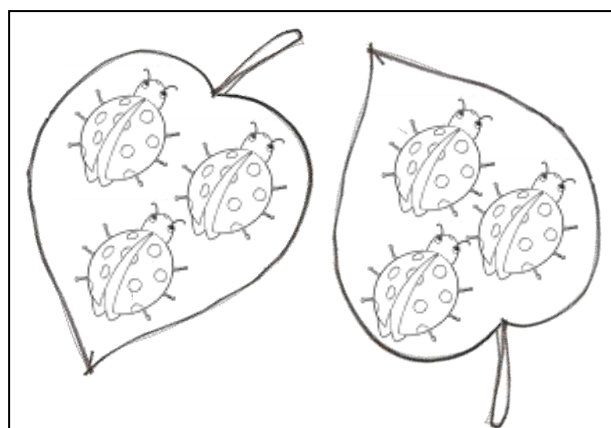

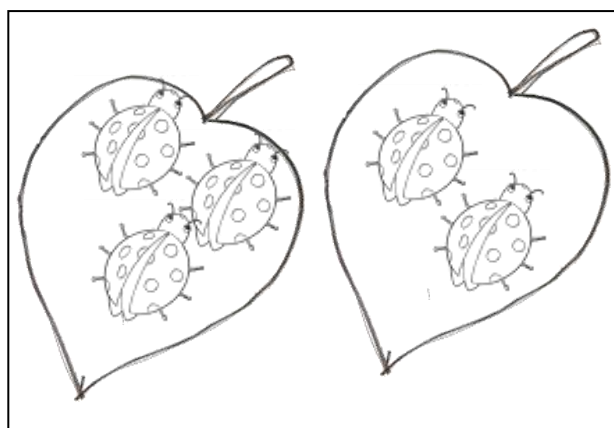

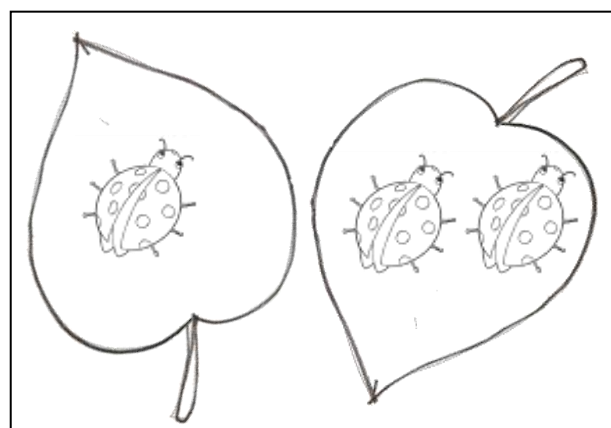

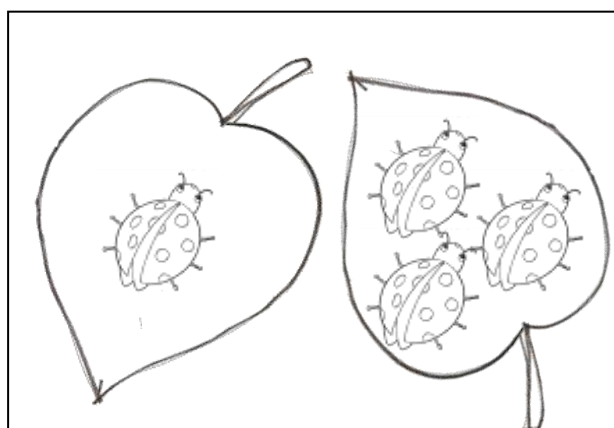

1 2 3

1 2 3

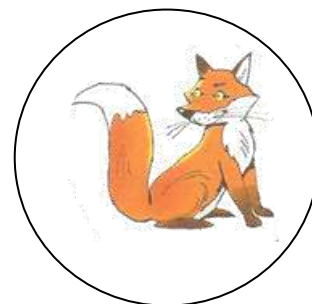

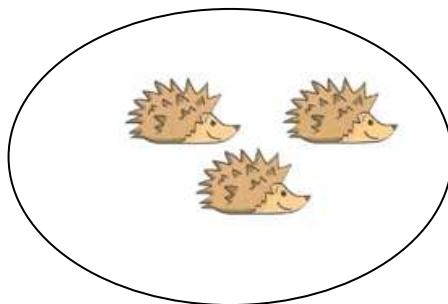

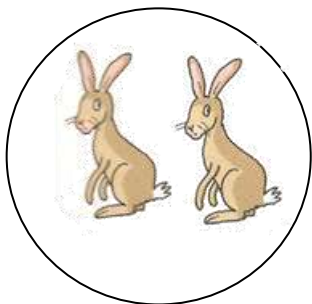

1 2 3

2. Policz biedronki na listkach, zapisz ich liczbę, wstaw właściwy znak: $<$, $>$, $+$.
Pokoloruj w każdej parze ten listek, na którym jest więcej biedronek.

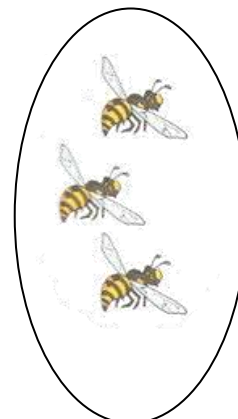

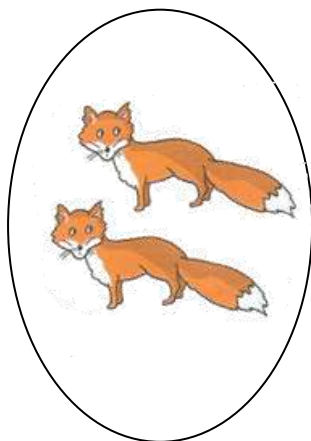

3. Policz zwierzęta w pętłach. Połącz je z właściwymi liczbami.

1

2

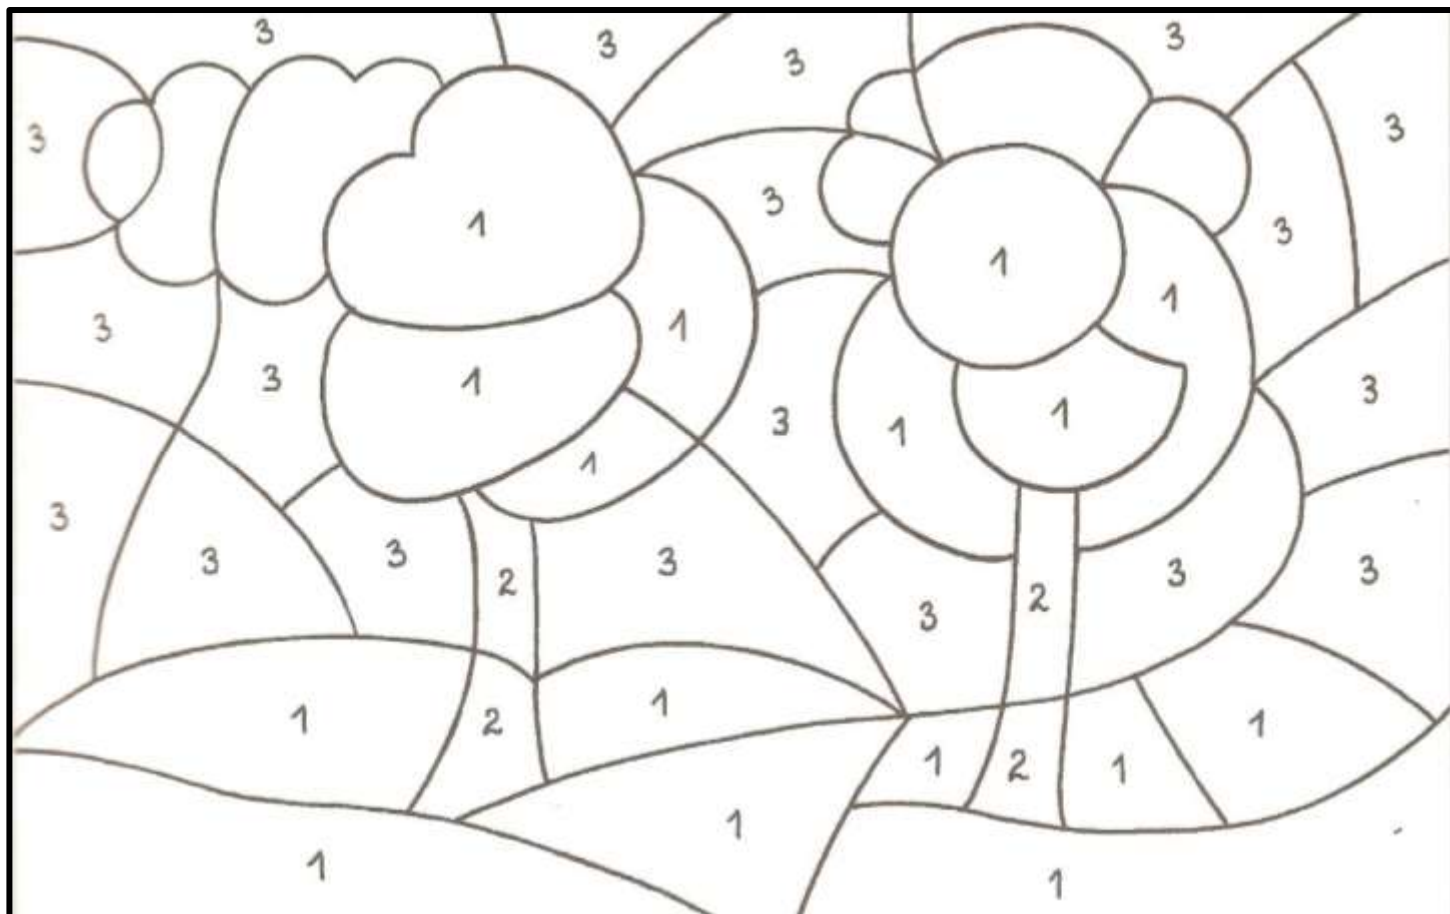

3

4. Pokoloruj zgodnie z kodem: 1 

2 

3 

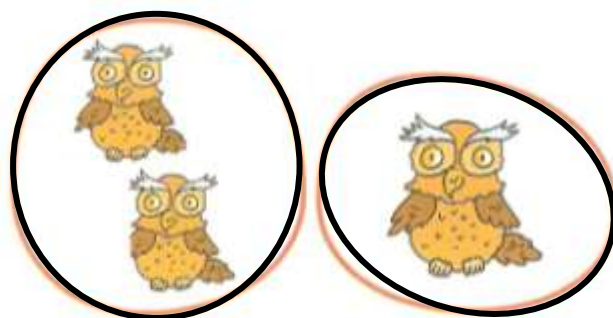

5. Policz zwierzęta i zapisz ich liczbę. Wpisz właściwe znaki: <, >, =.

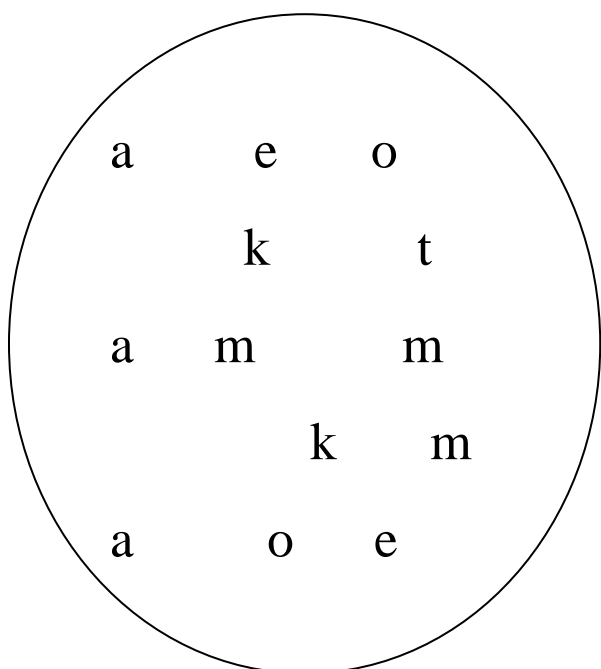

6. Policz takie same liczby w pętli. Wpisz ich liczbę do tabelki.
